Useful Contact- OEC Partner

Overseas Education College (OEC) is designed to provide professional service to educational consulting companies, business firms and agencies from across the globe.

We are currently working with thousands of universities in all continents, by rendering professional assistance to partnered Universities/Colleges, for the processing of admissions of partnered international agency's student.

Students from all over the world are increasing annually and the academic dreams of some are to study in a stable and diverse community. Service is highly needed to provide help for students by assisting them with all the necessary admission process.

OEC is here for a win-win business module as our primary aim is to serve you and create a better world of educational technology.

**About Us**  
OEC Partner
